To Whom It May Concern

I had the good fortune of being introduced to Sam from Ivisual nearly 12 months ago when I began filming properties for sale. This was a first for the area and I decided to launch these movies and play the movies on a large LCD Screen TV in a local coffee shop with Sam's help. These continue today.

This has proved so successful that we installed a LCD Screen with sound in our office window to display the movies as well.

This has had an amazing effect and growth on my business and I thank Sam for his help.

He is always promptly uploaded the movies and given me the service that I have needed.

I am the top Sales Agent for the Ray White Group in the Northern Beaches and I highly recommend Ivisual to anyone considering using them.

Yours sincerely
